The background is a stylized illustration of a beach. At the top, there are teal and light blue waves with white foam. Below the waves is a sandy beach in shades of light orange and tan. In the bottom left, there are two red flip-flops with white straps. In the bottom right, there is a red starfish and a beach ball with segments of white, orange, yellow, and blue. The text is centered in a white rectangular box.

Our goal is to support every student so
they can work at grade level or beyond

What do we want all students to know
and be able to do?

How will we know if they learn it?

How will we respond when some
student do not learn?

How will we extend the learning for
students who already know it?

What do we want all students to know and be able to do?
