# Illinois Comprehensive Literacy Plan

The Illinois Comprehensive Literacy Plan serves as a roadmap designed to guide and unify literacy efforts across the state. Its purpose is to identify the supports and resources necessary to ensure that every student receives developmentally appropriate evidence-based literacy instruction.

# Illinois Comprehensive Literacy Plan

To support this purpose, the plan is structured around the three key goals:

GOAL 1: Every student receives high-quality, evidence-based literacy instruction.

GOAL 2: Every educator is prepared and continuously supported to deliver high-quality, evidence-based literacy instruction.

GOAL 3: Every leader is equipped to create, maintain, and sustain equitable conditions for high-quality, evidence-based literacy instruction.
