

SPACE

Board of Education Presentation

ABCD

What is SPACE?

Student Principal Advisory Committee on Engagement (SPACE) is a team of students from different grade levels from grades fifth through eighth serving on the committee to support the goals of Norridge School District 80 and J. Giles School. The committee is led by the building principal and assistant principal. Students serve a one year term.

Selection Process

Students that are selected by the Building Leadership Team (BLT) were announced on 9/27/24. Interested students completed a student application with teacher recommendation, based on academic success along with social, emotional and behavioral achievement. The building leadership team reviewed all applications and selected 3 individuals from each grade level to serve on the committee.

SPACE Members

Please congratulate our new SPACE members:

8th: Sophia Fabillon, Litsa Lara, and Sylvia McPhillips

7th: Keira Lacsamana, Gabriela Mrozek, and Isabel Nielsen

6th: Violet Bowling, Livia Dina j, and Ashley Hamden

5th: Kylie Monson, Peyton Gray, and Alan Chwesiuk

What will we do?

Members of SPACE will meet monthly to discuss:

1. Identify and promote district and school goals.
2. Focus on the characteristics of P.R.I.D.E.
3. Promote a GilesMade environment.
4. Be a voice for other students.
5. Develop engaging activities to promote a collaborative environment for the student body.
6. Discuss issues/concerns facing students.
7. Be leaders of the school and community by promoting the district's mission of Inspiring Educational Excellence in a Nurturing Environment.

Meetings

- 1 After school 3:15-4:15
- 2 Once a month, starting in October

Our Goals

1 Restructure Recess

2 Enrichment WIN

Thank
you
