Exhibit - Notification to Staff and Parents/Guardians of CPR and AED Video

Date: 10/19/18

To: Parents/Guardians and Staff

Re: CPR and AED Video

State law requires the Illinois High School Association to post a hands-only cardiopulmonary resuscitation and automated external defibrillators training video on its website. The law also requires school districts to notify staff members and parents/guardians about the video that can be viewed via the following link:
